

## Quality Policy

*Standarmoldes* has set its goal: the efficiency and effectiveness of its products and services. As well as, its trade and development, so they can meet and go beyond the expectation of all parts involved.

To archived excellent business results and assure the continued success of the organization, *Standarmoldes* is set in a strong cornerstone of good leadership. It's of utmost importance the inspiration and encouragement of its collaborators and suppliers, resulting in a policy of excellence, with the main focus on the client. Always in line with the requirements of NP EN ISO:9001:2015, aiming for the quality improvement around management.

Aligned with this view, *Standarmoldes* it's in a process of acquiring know-how and improving its techniques, which will contribute to a continuous improvement of the management system.

Therefore, our organization is committed to:

- Presenting the best services, always with the highest standards of quality, focusing on the client satisfaction, meeting its needs and looking for ways to overcome them, as well as, establishing relations of permanent collaboration between the client and the organization;
- Ensuring the design and development of products that carry a low risk for all parts involved;
- Develop a good leadership, that encompasses all the company, so there will be good communication between management and collaborators, setting conditions for every individual to be committed to the quality goal of the organization;
- Promote safety and health measures at work, for all activity within the organization in a preventive and informative manner, supplying materials and know-how to all collaborators;
- Uphold all the legislation and regulation that is applicable, as well as all requirements of the Management Quality System, constantly improving its efficiency.

This Policy is maintained permanently updated and is communicated to all collaborators and related parties, it's readily available at our website [WWW.STANDARMOLDES.COM](http://WWW.STANDARMOLDES.COM).

The Management
